

## 100% Project AWARE

When you pass a PADI course with Above the Surface... Beneath the Waves we donate £10 to Project AWARE on your behalf!

Joining this new programme we ensure that all our students whose cards are processed online receive the Project AWARE version of their PADI certification card. We also show our commitment to the protection of aquatic resources by raising vital funds to help Project AWARE complete its mission.

You too can show your support by helping raise funds. Why not 'text to donate'! Text the word "AWARE" to 70500 to donate £5 to project AWARE. Or visit the website [www.projectaware.org](http://www.projectaware.org)
